

How to raise funds with School Fundraising

Once your school is registered, visit the School Fundraising website every time you want to shop online.

Once you are at the School Fundraising website, search for your school's personalised page using the search facility (using your school's postcode) or via the area links on the left hand side.

Once at your school's page you have several options:

-

Browse the List of Participating Retailer's Websites

- view a selected range of the leading retailers and click on their logo to visit their website OR

-

Search for a Specific Product and Compare Prices

- use our ShopWindow facility to search for an item and compare prices from selected retailers AND/OR

-

Search for a product from the World Wide Web -

use our Google Search facility to search for an item from the web and every time you click on a sponsored link you will earn even more money for your school!

whichever way you choose to shop, you will have a great shopping experience and raise money for your local school.
